The Revised procedure for flow of funds under Central Sector Scheme has been introduced by MoEF & CC, New Delhi. The GBPNIE, Kosi Katarmal, Almora has been designated as Central Nodal Agency (CNA) and the Canara Bank, is authorized as banker for Central Nodal Agency.

As per the revised procedure for flow of funds, a new bank account with zero balance is required to be opened by all the proponents/grants receiving agencies in the scheduled commercial bank authorized for government business under which it receives grant. A detailed list of each NMHS ongoing projects has been issued to the authorized banker i.e. Canara Bank, Almora for providing necessary assistance to the proponents/funds receiving agencies. The nearby branches of Canara Bank in respective State/UT will provide necessary assistance to the proponents/funds receiving agencies for opening a new bank account in their respective branch for each scheme.

It may be ensured that as per the revised procedure, the funds provided during the current financial year will not be available for utilization during the next financial year and will lapse at the close of the financial year. No re-appropriation of funds will be allowed. Therefore, in order to avoid any delay in release of funds by the CNA during the financial year 2022-23 as well lapse of funds due to non utilization by the proponent , all proponents/grants receiving agencies are requested to take immediate necessary action for opening of the new bank account with zero bank balance with Canara Bank. The future grant will be released only into the newly opened account after mapping in the PFMS.
