Dear Sir/Madam,

Greetings from **CSIR-CEERI Pilani**. I hope all is well with you. I am writing to you to introduce a unique hands-on training program that CSIR-CEERI, Pilani, is offering to the students of your institute, and this advanced hands-on training program is specially designed for master's [M. Tech (ECE), M.Sc, Phy] and recently enrolled Ph.D. students. I have attached the Flyer for the same, which will help you to understand the different activities covered under the training program. Please nominate 25 Students who can join the training program. The training program is **entirely free** for the students. I am looking forward to getting a reply from you soon. Please send the names as quickly as possible as we need to send a compiled list of students participating in the training along with participating institutes/organizations to the DST, Govt of India. Training of the first batch under this scheme will start from the last week of July 2022. To learn more about the lab and the activities conducted at CSIR-CEERI, Pilani, you can also visit our website, www.ceeri.res.in.

Regards

Vijay
