Dear Sir/Madam,

I hope this mail finds you in the best health and spirit. This communication is to inform you that the "Call for Entry" under DST- Augmenting Writing Skills for Articulating Research (AWSAR) is now open for 2022.

The AWSAR scheme was initiated in 2018 for young researchers to be involved in science popularisation and realize the constitutional mandate of inculcation and nurturing scientific temperament.

In AWSAR, PhD and Post-Doctoral scholars of the Science and Technology stream are encouraged to write about their research in the popular format during the tenancy of their scholarship/fellowship. Authors of the three best stories from the PhD scholars category will receive a cash reward of ₹1,00,000; ₹50,000; and ₹25,000, respectively. In the PDF category, the outstanding story is awarded ₹1,00,000 along with a citation. Besides this, 120 best science stories (100 from PhD Scholars and 20 from PDFs) get a cash prize of ₹10,000 and a Certificate of Appreciation.

We are sure that your University/R&D Institute has many PhD and PDF scholars pursuing research in the S&T stream. On your end, these young researchers may be encouraged and motivated to submit one popular science story based on their research. This will not only help bridge the gap between science and society, but also in achieving the goal of a scientifically empowered nation.

The last date for submission of the story is 30 August 2022. It would be highly appreciated if the enclosed advertisement is circulated widely among the various departments/Centres/Division of your University/Institution for more and more participation in AWSAR.

For more information, kindly visit <http://awsar-dst.in/>

With warm regards,

Dr Bharat Bhushan
Scientist E, Vigyan Prasar
Dept of Science & Technology

AWSAR

**AUGMENTING WRITING SKILLS
FOR ARTICULATING RESEARCH**

SUBMIT
NOW

AWSAR is an initiative that aims to spread Indian research stories among the masses, making it easy to understand and interesting to the general public. Under this initiative, PhD Scholars and Post-Doctoral Fellows (PDFs) in Science and Technology (S&T) streams would be encouraged to write at least one popular science article during the tenancy of their fellowship, and to participate in a national competition.

AWSAR seeks to create a culture of science communication/popularisation among the researchers and foster scientific temper in them.

**SUBMIT YOUR RESEARCH STORY
on or before 30 August 2022**

Eligibility: Any Indian Citizen pursuing PhD or Post-Doctoral in any stream of Science and Technology.

Award Categories

FOR PhD SCHOLARS

1st Prize : ₹ 1,00,000
2nd Prize: ₹ 50,000
3rd Prize: ₹ 25,000
100 selected entries:
₹ 10,000 (each)

FOR POST-DOCTORAL FELLOWS

One Outstanding story
₹ 1,00,000
20 selected entries
₹ 10,000 (each)
