

AG 2022-Reso-16005

Government of Jammu and Kashmir
Higher Education Department
Civil Secretariat, Jammu

The Director Colleges,
J&K Jammu.

Registrar,
University of Jammu/Kashmir.

No. HED/Gen/308/2021-04

Dated 28.12.2021

Subject:- Online National Web Portal I-STEM (Indian Science, Technology and Engineering facilities Map), listing all the scientific/technical /analytical/research equipment/facilities procured with public funds in academic and R&D Laboratories across the country.

Madam/Sir,

I am directed to forward herewith a copy of O.M No. dated 12.11.2021 received from Under Secretary to the Government, Office of the Chief Secretary, J&K regarding the subject cited above.

Since the web portal I- Stem supports researchers in academic institutions in conducting their research by providing technical assistance as well as linking them with the needed R&D resources/facilities across the country, it would be appreciated if the Universities/ Institutions and affiliated colleges can join the I-STEM portal. You are thus requested to take further appropriate action.

Yours faithfully,

(Rubia Afroz Inqalabi)JKAS
Under Secretary to Government
Higher Education Department

D.O. No.Prn.SA/LabFacilityPortal/2017-Pt.II

Dated, 13th October 2021*Dear Chief Secretary,*

As you are aware, the Office of the PSA to the GoI has established the online national web portal **I-STEM** (Indian Science, Technology and Engineering facilities Map), listing all the scientific/technical/analytical/research equipment/facilities procured with public funds in academic and R&D laboratories across the country. The portal was launched by the Honourable Prime Minister on 3 Jan, 2020.

2. The I-STEM supports researchers in academic institutions in conducting their research by providing technical assistance as well as linking them with needed R&D resources/facilities across the country. A researcher may access the use of equipment time slot through the portal in any institution in India. In addition, I-STEM supports academic institutions by providing technical assistance in running their R&D equipment and by connecting them with researchers/start-ups/industries/suppliers/service providers through the portal. I-STEM has also established a digital catalogue of the technologies and products developed indigenously. The portal also allows academic institutions to advertise their webinars/conferences/meeting/skill development programs to help achieve greater participation. Furthermore, academics may use the online meeting platform "Webex" - at no cost - to conduct these webinars/meetings. The portal provides the facility to display vacancies for the students (such as internships), as well as an option for institutions to seek skilled manpower for their R&D facilities. For more details please visit: www.istem.gov.in

3. It would be appreciated if the Universities/Institutions and affiliated colleges in your state can join the I-STEM portal. This will help them to access various high-end resources and get connected to the larger research and innovation eco-system of the country. I would accordingly request you that this information may be circulated to all concerned R&D agencies and institutions in your State.

4. In case of any queries, Dr. Sanjeev Kumar Shrivastava, National Coordinator, I-STEM, (sanjeevs@iisc.ac.in & notification-portal@istem.gov.in Mob: 8277566371) can be contacted.

With kind regards

Yours sincerely,

(Arabinda Mitra)
To all Chief Secretaries of States and UTs (as per list attached)
