Respected all,

The Department of Higher Education, J&K in Collaboration with JK Trade Promotion Organization (JKTPO) is organizing a two-day Innovation Fest-2022. The objective of two-day Innovation Fest-2022 is:

- To bring out innovative and disruptive ideas and solutions which can be developed into commercial products/services and patents can be filed to encourage, inculcate, and promote innovative thought process among students of J&K.
- To make this event a collaborative platform for innovators, academia, investors, industry, and the government, for building an innovation-oriented mindset for innovators to come up with disruptive ideas and solve J&K's most pressing problems by developing the idea into a product.

This event will also provide networking opportunities with Investors, Start-up founders, Incubation centers, Government officials, Venture Capitalist, Industry Professionals, Mentors and Domain experts. In view of this we request Universities/IIT/IIM jammu to submit Innovative Ideas by 10-08-2022 with required information as provided in the google link. The Google form link for Innovation Fest 2022 is as below:
