Respected Ma'am,

Greetings !

I am an Alumni of Kashmir University myself and it gives me immense pleasure to introduce TeamLease Edutech, the company I work for currently, to you.

We offer Online Learning Services to help Universities and HEIs launch, run and manage their Open and Distance Learning / Online Programs with a Zero Investment Model. We work with Universities as their back end technology and content services provider supporting the University with the complete ICT infrastructure and services. Through our cloud- hosted, mobile-first, managed services platform, we provide a wide range of services - enrolment, learning, upskilling, student support and assessment – thus helping our Universities improve access and learning outcome. Here are the services offered by us.

- Digiversity – The learning management system with live classrooms
- Content – Digital SLM and Video Tutorials
- Student Support Services – Dedicated team for Telephone, mail, chat support
- Internal Assessments – Assignments and internal assessments online
- Interactivity – Discussion Forums, Chats, Quizzes, Feedback
- Student Interface – Mobile app for all students (Desktop and Laptop access)
- Remote Proctored Online Examination Services

Teamlease Edtech is the leading service provider in this space; our services have been utilized by various universities for ICT enabled learning services. We are currently engaged with more than 45 large Indian Universities (Mostly Public and some Private) and help them provide Online learning services to their students.

Through this mail, I seek an opportunity to meet you at your office and present how TeamLease can add value to my Prestigious University.

Regards,

Rajesh Kachroo
