Dean Research,
University of Kashmir
Srinagar, J&K

**Sub: Two-Day National Workshop on Seismic hazard and crustal deformation studies on
1st & 2nd August, 2018.**

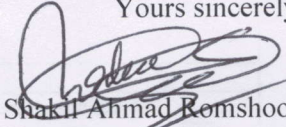

Sir/Madam

With reference to the above cited subject, the Department of Earth Sciences, University of Kashmir is organizing a Two days National Workshop on "*Seismic hazard and crustal deformation studies*" in collaboration with CSIR-4th Paradigm Institute, Bangalore & Dept. of Disaster Management, Relief, Rehabilitation and Reconstruction, Government of Jammu and Kashmir. The workshop shall comprise of the lectures from invited resource persons and faculty members on various aspects of earthquake hazard assessment in the state of Jammu and Kashmir. Additionally, hand-on tutorials/exercises shall be imparted to the participants of the workshop to build their technical ingenuity in collection, synthesis and analysis of the seismic and GPS data for earthquake hazard assessment.

In this connection, you requested to kindly circulate the letter among the faculty members of the department to attend the lectures and encourage the research scholars to get registered to attend the workshop. The schedule of lectures is attached herewith.

Regards,

Yours sincerely

Shakil Ahmad Romshoo,
Convener
