Dear Vice Chancellor/Director,

Greeting from AIU!

I would like to inform you that Association of Indian Universities has finalized the Schedule of **Anveshan: Student Research Convention**, a pioneering initiative to identify and nurture the research talents among young researchers in the country. The conventions will be organized in **Five Zones** (East, West, North, South, and Central) and one at **National level**. These events are competitive in nature in which innovative and unconventional research projects are to be invited, subjected to scrutiny and selection by experts. Selected projects at zonal level are to be sent to National level conventions and finally selected projects will be given **cash awards, mementos and certificates**. The overall winner projects across **Five Categories** also to be awarded a **Gold Medal** instituted in name of late **Prof S N Mukherjee**, former President, AIU.

The universities are requested to organize the Research convention at their university level and send the selected projects to the Zonal Level Convention, for which Association of Indian Universities has identified one University in each Zone for hosting the events.

The **North Zone** Convention for the current year is scheduled to be held on **January 16-17, 2020** at **Amity University, Manesar, Gurugram, Haryana**

I am writing to inform you to take necessary initiative of organizing the convention at your university level. You may assign the responsibility of coordinating the event to any senior faculty member of the university.
