Dear Madam/Sir,

This is to bring to your kind notice that PhD cell is in the process of releasing Fellowship and RoR (as per eligibility) to Full-time PhD Candidates for July 2023.

It has been observed that a few Full Time PhD candidates are getting dropped out from the PhD Scheme Phase-II and the institutions are not informing the PhD Cell about the same at the right time. Due to this, the Fellowship and Reimbursement of Rent (RoR) are transferred to these candidates even if they are dropped out of the scheme. In some of these cases, some institutions claim that they have intimated but did not receive the acknowledgement of intimation receipt by PhD Cell. After examination of the matter, it was found that the email could not be delivered to PhD Cell.

Kindly refer to the "Terms and Conditions" and "Standard Operating Procedure" accepted by the institutions during the allotment of Full Time PhD seats. It had specifically been mentioned "If due to non-intimation or late intimation by the respective institute, the fellowship is released to the candidate by PhD Cell, DIC then it will be the responsibility of the institute to recover that amount paid to the candidate in excess & beyond eligibility. PhD Cell, DIC in its sole discretion may decide to recover it from the amount due to be paid to the institute under other budget heads of the scheme".

In view of the same, kindly intimate PhD Cell if any Full-Time PhD candidate is dropped from the scheme or absent or non-performing or other similar cases affecting the Fellowship and Reimbursement of Rent (with additional reasons of change in accommodation) by 8 Aug 2023.

In case, the institution does not ensure to intimate about any dropped out candidate or fails to get the acknowledgement from PhD Cell, the excess Fellowship or RoR released to any such candidate would be recovered from the institution.

With Warm Regards

Visvesvaraya PhD Scheme for Electronics & IT,
Digital India Corporation, MeitY,
Room No. 2084, Electronics Niketan,
6, CGO Complex, New Delhi-110003
