Dear Sir/ Madam

Pls invite the concerned faculty members /HoDs in a online workshop/ webinar to discuss on submission of grant proposals on available opportunities During this week /next week of July 2023

I am glad to inform you of various funding opportunities available for the month of July/August 2023.

Have your College Received any R&D grants in last 3 years from Govt agencies ? How many grant proposals have you submitted ? How many Doctorate Faculty members are available in campus ?

We will support for promotion of Research culture and seeking grants in the following ways

1. We will do Assessment for Faculty profile as Active Researcher and assess the potential for seeking grants from Govt agencies in next 12 months (if desired, I will share Faculty Assessment proforma with you).
2. Provide R&D grant related information on weekly/monthly basis to relevant Faculty members/Scholars
3. Conduct 2-3 Online workshops for formulation/drafting /evaluation and submission of 5-20 Grant proposals every month/ 50 -250 proposals every year depending upon availability of Doctorate faculty members of STEMM.
4. Visit to campus once in a month to interact with faculty members. 5 Followup the submitted grant proposals for sanctioning /necessary approvals.

We may help your faculty members/institution **to submit 5 to 20 Proposals monthly and 50-250 Proposals yearly for seeking funding grants worth of Rs 50 Lakhs to 10 Cr every year**

I would like to know if your Institution has **MSME Host Institution Status**. And funding grants of Rs 15 Lakhs per innovative ideas and Infrastructure grants of Rs 1Cr.

We May also plan for workshops/ Webinars for

1. SIRO/NBA/NAAC Accreditation
2. NIRF Ranking 2025
3. Patents/IPRs
4. SCI Publication/ WoS
5. "Earn while Learn Scheme" from Vanillakart- online training, paid Internships, Paid live project work
6. High Salary package ie Rs. 50L+ to 100L+ for brilliant Students

For the month of July/Aug 2023 following grant opportunities are available, same will be discuss during the online/offline workshop and submit the grant proposals accordingly in time bound manners
