Dear Sir/Ma'am

Greetings from SSS-NIBE!

*Rana R /
Nabeel
20/4/23*

We are pleased to announce that the "4th International Conference on Recent Advances in Bio-Energy Research (ICRABR 2023)" will be held in a physical mode at "Kapurthala, Punjab, India" between 9th and 12th October 2023. The conference is being organised by **Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE)**, an autonomous institute of the Ministry of New and Renewable Energy (MNRE), Govt. of India.

The conference intends to bring together academics, researchers, government officials, industry representatives, entrepreneurs, and policymakers from all parts of the world, to interact, share cutting-edge research, successful case studies, and state-of-the-art practices in the biomass and bioenergy sector, including supply chain management, financing, sustainability (techno-economics/environmental/social), Carbon Neutrality, and policy aspects.

The conference is designed to explore the research activities in the areas of bio-energy including biogas, bio-hydrogen, biodiesel, bioethanol, fuel cell, biomass-derived electrodes for energy generation, biomass gasification and biomass cookstoves, and carbonaceous materials.

The conference will include invited talks, oral and poster sessions. The conference will have sessions under the following broad themes:

Theme 1: Biomass Resource Management

Theme 2: Biomass/waste conversion to energy

Theme 3: Biomass Valorisation/ Waste to value added materials/ Products

Theme 4: Modelling of Bio-energy system

Theme 5: Biorefinery and Biohydrogen

Mrs. Arifat Jee n/a PLZ.
