Dear Sir / Madam,

NITIE Mumbai has been designated as the nodal institution to coordinate the activities related to capacity building for the PM GatiShakti initiative, by the Department of Higher Education, Ministry of Education.

2. To increase the capacities in these diverse sectors, the Institutes and Universities under this Ministry are mandated to design and conduct relevant courses in the area of Logistics and Supply chain management. These courses can be offered as core courses or elective courses to the students across the different programs conducted by the Institute / Universities. Also, it can be considered to offer these courses in the area of Logistics and Supply chain to the industry executives and contribute towards capacity building for the logistics sector in the country.

3. For better dissemination of this information to all the stakeholders, it is imperative for all the Institutes/Universities to nominate a nodal officer to coordinate and conduct the courses identified by the respective Institutions/Universities, and report the progress to the Ministry and the Nodal Institute NITIE every semester. The Institutes/Universities are also requested to encourage the faculty and students to take up applied research projects to meet the needs of the various ministries and other stakeholders aligned with the PM GatiShakti program.

4. We have advised NITIE to coordinate and conduct a workshop in domain of Logistics and Supply chain on PM GatiShakti for all the participating institutes shortly. This Ministry is looking forward to your active cooperation by your Institute/University to realize the stated goals of PM GatiShakti.

With regards.

Yours sincerely

(K. Sanjay Murthy)
