Dear Sir | Madam,

Thank you for nominating your University for the Green University Awards to be presented at the 7th NYC Green School conference in New York on 15th September 2023 during the sidelines of the 78th Session of the United Nations General Assembly.

Green University Award 2023 recognizes and celebrates Universities that have significantly contributed to promoting environmental sustainability and fostering eco-conscious practices in the education sector.

We are honored to have received your nomination and are eager to provide the Green University Awards Committee with comprehensive information about our sustainability initiatives and accomplishments.

To create a strong and well-rounded nomination, we request you to provide a green story of your sustainable practices associated with energy conservation, waste management, curriculum integration, community engagement, or other relevant sustainability practices in 500 words to support the Green University Award- 2023 nomination, which the evaluation committee will consider during the evaluation process.

Please share the green story of your University in this Google Form

GOOGLE FORM LINK- <https://forms.gle/CgbXUUPar7UHRsxR8>

The last date for submission of your Green Story is 15th August 2023.

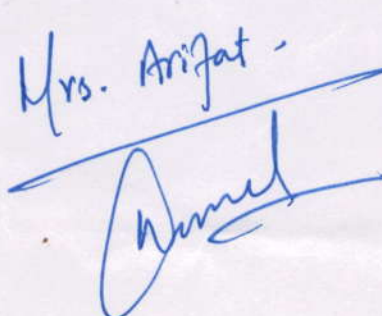

Thank you for your attention to this matter. We eagerly anticipate receiving the additional information, which will assist us in preparing a strong and compelling nomination.

If you have any further questions or require clarification, please do not hesitate to contact us.

We look forward to collaborating with the Green University Awards Committee and highlighting your University's sustainability accomplishments through this esteemed recognition.

Please find the brochure of the 7th NYC Green School Conference in the attachment.

Yours sincerely,
