D.O.NO. F.1-5/2022 (CBC/Faculties)Pt. File

12th September, 2023 / 21 भाद्रपद, 1945

Respected Madam/Sir,

As you are aware the National Education Policy 2020 emphasizes the creation of motivated, energized, and capable faculty. The capacity building of the faculty at all levels has been one of the major thrust areas in the field of Higher Education. Existing mechanisms for capacity building of faculty, i.e. UGC-Human Resource Development Centres (HRDCs) and Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) Centres are contributing immensely towards training faculty of Higher Education Institutions to provide more effective teaching. However, continuous professional development of faculty in all disciplines is required in light of new and updated methods of pedagogy.

Keeping in view the optimal utilization of infrastructure, and human and financial resources the Ministry of Education (MoE) has sought synergy and integration between HRDCs and PMMMNTT Centres to be strengthened to meet the objective of NEP-2020. In this regard, the Hon'ble Minister for Education, Skill Development and Entrepreneurship, Shri Dharmendra Pradhan ji launched the Malaviya Mission-Teacher Training Programme (MM-TTP) on the occasion of Teachers' Day on 5th September 2023. He also launched the MM-TTP portal (<https://mmc.ugc.ac.in>) and released an information brochure on MM-TTP.(enclosed). 111 institutions have been identified as a part of the programme which will now be called Malaviya Mission Teacher Training Centres (MMTTC).(list attached)

The main objective of the new phase of the scheme is the Orientation and Sensitization of the Faculty members of HEIs on core NEP 2020 Themes (list enclosed). The programme aims at improving the quality of Education at all levels by infusing quality and excellence in our teachers and teaching. The Malaviya Mission Training Programme shall be taken into consideration for the fulfilment of the requirements as laid down in the Career Advancement Scheme of UGC.

I take this opportunity to request all HEIs to encourage faculty members from their institution to take part in the MM-TTP by nominating them to register for online training on the Malaviya Mission Portal (<https://mmc.ugc.ac.in>). The link to Malaviya Mission Portal may also be provided on your Institution's website.

We look forward to the active participation of faculty members from your respective HEI in the Malaviya Mission Teacher Training programme.

With kind regards,

Yours sincerely,

(Manish Joshi)

1. Introduction

The National Education Policy (NEP) 2020 underscores the need for motivated, energized, and capable faculty in Higher Education. The capacity building for teachers at all levels is a key focus. Existing mechanisms, namely UGC-Human Resource Development Centres (HRDCs) and Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Centres (PMMMNTT), have significantly contributed to training faculty. However, continuous professional development is essential due to the dynamic nature of teaching and learning. Hence, the Malaviya Mission Teacher Training Programme (MMTTP) has been re-launched by restructuring existing mechanisms to enhance the capacity and training of teachers/faculty. The mission aims to transform higher education by integrating Indian values and ethos into teaching, research, publications, patents, and institutional development.

India's Higher Education is poised to:

- Adopt transformative and innovative approaches.
- Achieve an augmented Gross Enrolment Ratio (GER) of 50 percent.
- Mitigate state-wise, gender-based, and social disparities in GER
- Emerge as a significant global talent provider, with one in four graduates worldwide being a product of the Indian Higher Education system.
- Attain a position among the top five countries globally in terms of research Output.

2. Background of the Scheme:

The Ministry of Education (MoE) seeks to strengthen synergy and integration between HRDCs and PMMMNTT Centres to align with NEP 2020 objectives. The scheme establishes 111 Malaviya Mission Teacher Training Centres (MMTTCs). The scheme aims to implement NEP recommendations, focusing on quality teaching, equity, online education, technology use, Indian language promotion, vocational education, and multidisciplinary education.

Vision:

To build competencies in faculty for better teaching, learning, research and academic leadership by aligning them with Indian values and updating their knowledge and skills according to the needs of society and NEP 2020.

3. Objectives of the Scheme:

The salient objectives of the scheme in alignment with NEP 2020 are:

- Achieving full human potential, developing an equitable and just society, and promoting national development.
- Improving the quality of Education at all levels by infusing quality and excellence in our Teachers, students and teaching-learning.
