**Sub: Comments/Observations made by the University Council meeting held on
20-03-2023.**

Sir/Madam,

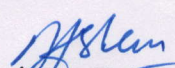

Hon'ble Chancellor made following observations/comments, during the
University Council meeting held on **20-03-2023**:

Stressing the need to conduct research activities focused on
local environmental and socially relevant issues by the
University. Such applied research and scientific intervention
should be aimed at providing solutions to local problems being
faced by the society. This would help in creating a knowledge
base which can be shared to improve decision making and to
serve as building blocks in the creation of new knowledge in
future.

In this connection, I am directed to request you to take concrete steps to
maintain continued focus on local environmental and socially relevant issues by the
University. Such applied research and scientific intervention should be aimed and
providing solutions to local problems being faced by the society. This office be
informed about the initiatives taken in this regard by the Deptt. for preparing action
taken report to be placed before the next University Council meeting.

Early action in the matter would highly be appreciated.

Yours faithfully,

Assistant Registrar
