Personal Support (Tenable in India)								
Award- Group Leader	British Petroleum (BP)/Bird life International/ Conservation International/Fauna and Flora international/ Wildlife conservation society	Conservation Leadership Programme (CLP)- Kate Stokes Memorial Award	Awarded on an annual basis to an exceptional Follow-up or Leadership team supported by the CLP.	US \$ 40,000	All continuation award winners of BP conservation schemes are considered, there is no need to apply.	Expected in November	Upto 3 years	http://www.conservationalleadershipprogramme.org/KateStokesAward.asp
Fellowship-Group Leader	DBT	Tata Innovation Fellowship	Rewards interdisciplinary work with major emphasis on innovation and translational research	salary incentive of 25000 pm, 6 lakh contingency	Age less than 55 years. employment at a research institute. Applicant to have spent at least 5 yrs in India.	To be announced	3 years with possibility of 2 years extension	http://www.dbtindia.nic.in/wp-content/uploads/Advt.-2015-16.pdf
Fellowship-Group Leader	DBT	Ramalingaswamy Re-entry Fellowship	Instituted to encourage return of scientists to India. Needs nomination from host institute.	Rs 85,000 for salary + Rs 7500 HRA + Rs 10 lakh per annum (1yr), 7.50 lakh (2nd yr), 5lakh (3years) for conferences and	Age less than 55 years. At least 3 years of post-doctoral research experience with last two years from an overseas	To be announced	5 years	http://www.dbtindia.nic.in/wp-content/uploads/Ramalingaswami_fellowship_advt.pdf
Fellowship-Group Leader	DST-SERB	Ramanujan Fellowship	Instituted to encourage return of scientists to India. Needs nomination from host institute.	Rs 85,000 for salary + Rs 7 lakh per annum for conferences and other expenses	PhD/MD with excellent proven track-record. Age less than 55 years.	Rolling programme	5 years	http://serb.gov.in/formats.php#ramanujan
Fellowship- Group Leader	DST-SERB	J C Bose national Fellowships		Rs. 25,000 per month in addition to salary drawn from parent institution+ 10 lakh per annum for conferences and	PhD, less than 68 years. Needs to be nominated by the institute	Rolling programme	5 years	http://serb.gov.in/formats.php#jc
Fellowship- Group Leader	DST	Swarnajayanti Fellowships		Rs. 25,000 per month in addition to salary drawn from parent institution+ grants for equipment consum	PhD, Age 30-40 years	To be announced	5 years	http://www.dst.gov.in/scientific-programmes/scientific-engineering-research/human-resource-development-and-nurturing-research
Fellowship- Group Leader	International Brain research Organization (IBRO)	Return home Fellowship		20,000 Euros	Scientists who are developing a successful basic/clinical research career in a developed country and wish to return to their country of origin or	1 Sep each year		http://ibro.info/professional-development/funding-programmes/return-home-fellowships/
Fellowship-Group Leader	Lady Tata Memorial Trust	Young Researcher Award	Annual Award	25000 per month salary incentive, 5 lakh per annum for research, international and national travel.	PhD with regular position in research inst/univ. Age less than 40 years	To be announced	3+2 years based on review of progress	http://www.ladytatatrust.org/StaticPageIndia/Awards/8

Fellowship- Group Leader	Wellcome Trust-DBT India Alliance	Margdarshi Fellowship	for host institutions that are keen to improve their scientific breadth and for scientific leaders who already lead their own research group, and now wish to	Salary, research costs, personnel costs, travel, over heads	Strong scientific leadership with more than 10 years experience running an independent lab	To be announced	5 years	http://www.wellcomebt.org/fellowshiptype/margdarshi-fellowships
Fellowship- Group Leader	Wellcome Trust-DBT India Alliance	Intermediate Research Fellowship		Salary, research expenses, personnel, 1 year collab travel	4-7 years PD experience	16th Aug, 2016	5 years	http://www.wellcomebt.org/fellowships/intermediate-fellowships
Fellowship- Group Leader	Wellcome Trust-DBT India Alliance	Senior Research Fellowship		Salary, research costs, personnel, collab travel	7-15 years PD experience	16th Aug, 2016	5 years	http://www.wellcomebt.org/fellowships/senior-fellowships
Fellowship- Group Leader	Wellcome Trust-DBT India Alliance	Intermediate Fellowships for Clinicians and Public Health Researchers in India	supports clinician scientists and public health researchers to establish an independent research program in an academic institution in India. Clinicians and Public Health	Salary, research expenses, personnel, 1 year collab travel	four to seven years of post-MD/post-MS/post-MPH/post-PhD or equivalent research experience	To be announced in Jan 2017	5 years	http://www.wellcomebt.org/fellowships/cph-intermediate-fellowships
Fellowship- Group Leader	Wellcome Trust-DBT India Alliance	Senior Fellowships for Clinicians and Public Health Researchers in India	supports outstanding clinician scientists/public health researchers, who have demonstrated their ability to lead an independent research	Salary, research costs, personnel, collab travel	seven to fifteen years of post-MD/post-MS/post-MPH/post-PhD or equivalent clinical research experience.	To be announced in Jan 2017	5 years	http://www.wellcomebt.org/fellowships/cph-senior-fellowships
Personal Support (tenable abroad)								
Fellowship- Group Leader	Alexander Humboldt Foundation	Fellowship for experienced researchers (Germany)	Research to be selected by self and carried out in chosen host lab in Germany	2,450 EUR per month includes mobility allowance and medical and liability insurance	Independent PI (Assistant Professor/ Junior Research GL) with < 12 years experience	Rolling programme	6-18 months, can be divided into 3 blocks of minimum 3 months each in 3 years	https://www.humboldt-foundation.de/web/humboldt-award.html
Fellowship- Group Leader	Alexander Humboldt Foundation	International Climate protection Fellowships (Germany)	Junior group leaders and postdocs also eligible, work in German lab of own choosing	2150-2750 EUR, mobility allowance and subsidy towards medical and liability insurance	Min Master's level education, first degree less than 12 years ago, practical experience in climate protection/	To be announced (March)	1 year	http://www.humboldt-foundation.de/web/icf.html
Fellowship- Group Leader	American Cancer Society	International Fellowships for Beginning Investigators (ACSB, USA)	Applied, clinical or translational cancer research preferred. US based, return to home country mandatory	\$50,000 for travel and stipend support.	Beginner Independent investigator or clinician	1-Nov each year	6-12 months	http://www.uicc.org/fellowships/beginning-investigators
Research/teaching trainin	Commonwealth Secretariat, U.K., administered by UGC	Commonwealth Academic Staff Fellowship (UK)	For enhancing teaching or research experience in a university in UK.Fellowshin starts		5-10 years research and upto 2 years teaching experience. Age less than 40 years.	To be announced in August	3 months	http://cscuk.dfid.gov.uk/apply/academic-fellowships/

	DBT/ NIH	Khorana- Nirenberg Scholar Program (India/NIH)			Fresh PhD/postdoc (> 5 years experience)	To be announced	2-3 years postdoc (NIH, USA)+ 2-3 years in independent	iusstf.org/story/53-50-K
Fellowship- Group Leader	Indo-US Science and Technology Forum	Indo-US Science and Technology Forum fellowships (USA)	Needs to work in US lab selected by self	US\$ 3000 pm, round air ticket, personal contingency allowance of Rs 50,000 for visa and insurance, and	PhD, age less than 40 years, with permanent position	To be announced	12 months	http://www.indousstf.org/fellowship.htm
Fellowship- Group Leader	Indo-US Science and Technology Forum	ASM-IUSSTF Indo-US Professorship in Microbiology	For teaching short term courses or for short term collaborative project with US collaborator	\$5000-7000 with matching contribution from host institute	Microbiologists with significant experience in research or teaching in the field, who have obtained a PhD	15 Dec each year	short term (Minimum 6 weeks)	http://www.iusstf.org/story/50-55-ASM-IUSSTF-INDO-US-PROFESSORSHIP-IN-MICROBIOLOGY.html
Fellowship- Group Leader	Union for international cancer control (UICC)	Yamagiwa-Yoshida Memorial international study grants (any country overseas)	Basic, applied or translational cancer research. Promotes international collab.	\$10,000	PhD/MD with min 2 years postdoc experience	To be announced	3 months	http://www.uicc.org/programmes/geti/our-activities/study-grants
Fellowship-Group Leader	US-India Educational Foundation	Fulbright-Nehru Academic and Professional Excellence Fellowships	to provide Indian faculty, researchers, and professionals the opportunities to teach, conduct research, or carry out	Stipend, insurance, travel and professional allowance for applicant only. For stays between 8-9	Indian faculty/researchers with at least 5 years teaching experience	To be announced	4-9 months	http://www.usief.org.in/Fellowships/Fulbright-Nehru-Academic-Professional-Excellence-Fellowships.aspx
Research Grants								
Research	British Petroleum (BP)/Bird life International/ Conservation International/Fauna and Flora international/ Wildlife conservation society	Conservation Leadership Programme (CLP)- Conservation Follow-up Awards	For Projects build on a previous CLP project by addressing a practical conservation issue raised by the original Future Conservationist Award project.	US \$20000 (CLP funding must cover at least 50% of the total project budget)	Minimum team of three with at least 50% involved in previous CLP project and additional new team members with no more than 5 years of paid experience in the conservation sector	To be Announced in August	upto 2 years	http://www.conservationleadershipprogramme.org/FollowupAward.asp
Research	British Petroleum (BP)/Bird life International/ Conservation International/Fauna and Flora international/ Wildlife conservation society	Conservation Leadership Programme (CLP)- Conservation Leadership Awards	For Projects build on a previous CLP project by addressing a practical conservation issue raised by the original Follow-up Award project.	US \$50000 (CLP funding must cover at least 50% of the total project budget)	Minimum team of three with at least 50% involved in previous CLP project and additional new team members with no more than 5 years of paid experience in the conservation sector	To be Announced(Dec)	upto 3 years	http://www.conservationleadershipprogramme.org/LeadershipAward.asp
Research	CSIR	CSIR research Grant		1-2 JRF/SRF/RA, contingency and small equipment	PhD, regular appointment in a research institute	Rolling Programme	3 years	http://csirhrdg.res.in/csir_research_grants.htm
Research	DBT	Project grant	Submission through online web portal of DBT	upto 1 crore. Equipment, personnel, Supplies &	PhD, regular appointment in a research institute	Rolling Programme	3-5 years	http://dbtindia.nic.in/uniquepage.asp?id_pk=438

Research	DBT	ACCELERATED CROP IMPROVEMENT PROGRAMME	Concept note on application of molecular markers for crop improvement		Scientists having expertise in areas of molecular breeding in plants as evident from the publications in high-impact factor journals or product development may	To be Announced	3-5 years	http://dbtindia.nic.in/docs/CALLFORPREPROPOSALAUNDER.doc
Research	DBT	RESEARCH PROPOSALS IN HUMAN DEVELOPMENTAL & DISEASE BIOLOGY	The proposals may encompass any aspect of developmental or disease biology related to pregnancy, foetal/neonatal stages, early years of life in humans or related aspects including in vitro and in vivo functional studies using suitable		clinicians/scientists actively engaged in the field of Human Developmental and Disease Biology	To be Announced		http://dbtindia.nic.in/docs/hddb.doc
Research	DBT	RESEARCH PROPOSALS IN CANCER BIOLOGY- Pilot Project Grant for Young Investigators	To investigate new hypothesis for establishing proof-of-concept in cancer research	upto 25 lakhs	all especially encouraging new/young investigators with/without publication in cancer	To be Announced		http://dbtindia.nic.in/docs/CancerAdfinal.doc
Research	DBT	RESEARCH PROPOSALS IN CANCER BIOLOGY- Virtual National Cancer Institute (VNCI)	To connect competence in Basic biology/clinical research/technology development around "Thematic Research" as defined in the call		5-7 investigators with complimentary domain expertise are expected to be connected for each thematic unit.	To be Announced	60 months	http://dbtindia.nic.in/docs/CancerAdfinal.doc
Research	DBT	RESEARCH PROPOSALS IN CANCER BIOLOGY- Units of Excellence (UOE) (DBT)	For strengthening research resources around leaders in cancer biology with national relevance but global competitiveness. Applications could be in the form of	Research costs as well as career development opportunities including Young investigator's awards (10-15 in number, both for Ph.D & Post Ph.D)	leaders in cancer biology with strong track record	To be Announced	60 months with possibility of extension for one more term	http://dbtindia.nic.in/docs/CancerAdfinal.doc
Research	DBT	Nanobiotechnology	Concept notes			To Be Announced		http://dbtindia.nic.in/performa/Nano%20Adv.doc
Research	DBT	Development of Next Generation Imaging Technologies for	Project grant		PhD, regular appointment in a research institute	To Be Announced		http://dbtindia.nic.in/docs/Imagecall(Final).doc
Women in Science (Research)	DBT	BioCare Research Grant opportunity (RGO)	For women scientists. LoI required for those for whom this is the first grant. Any woman scientist can be considered for a maximum of 3 applications run consecutively with total duration of the support not extending	Rs 50000-60000 stipend or Rs 10000 pm as incentive in addition to salary for employed women. Project grant of 40-60 lakhs for personnel, equipment, travel	PhD (age limit 55 years) Women Scientists who are employed or unemployed or are desirous of coming back after a break.	To be announced	3+2 years	http://www.dbtindia.nic.in/archives/8195

Research/Entrepreneurs hip	DBT	Small Business Innovation Research Initiative (SBIRI)- 22 batch	Public-Private Partnership Programme of DBT supports research initiatives of Indian Biotech Industry. Operated through BIRAC	Phase I funding for establishing proof-of-concept of innovations. The support is extended as grants-in-aid (up to 80% of total project cost) and interest free loans.	DSIR recognised private entities can submit application solely or jointly with other private or public partner (Universities or National Institutes).	To be Announced		http://sbiri.nic.in/HTML/about_sbiri.html
Research	DST	Cognitive Science Research Initiative	Cutting edge research in cognitive science		Scientists/academicians should have a research background in Cognitive Science and hold a regular	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/CSI-AD-2013.pdf
Research	DST (SERB)	Industry Relevant R&D	to utilize the expertise available in academic institutions and national laboratories to solve industry specific problems for the larger benefit of	The funding shall be shared between SERB and Industry where industry share should not be less than 50 % of the total	The academic partner must hold a regular academic/research position in an academic institution. All	Rolling programme	3 years	http://www.serb.gov.in/irrd.php
Research	DST (SERB)	Early Career Research Award (SERB)	To provide quick research support to the young researchers who are in their early career	up to Rs. 50 Lakhs (excluding overheads)	Applicant must hold a PhD and regular academic/research position in a recognized academic institution and	30th, Sep, 2016	3 years	http://serbonline.in/SERB/ecr
Research	DST (SERB)	High risk high reward research	to support proposals that are conceptually new and risky, and if successful, expected to have a paradigm shifting influence on science and		The applicant(s) must hold a regular academic/research position in a recognized institution	Rolling programme	3 years (extendable to 5 years)	http://www.serb.gov.in/hrhrr.php
Research	DST (SERB)	Extra Mural Research Funding (Individual Centric)		Equipment, personnel, Supplies & consumables, contingencies and travel	PhD, regular appointment in a research institute	31st, Dec, 2016	3 years	http://serb.gov.in/emr.php
Research	DBT	Pre-proposals on Plant Microbe Interactions (DBT)	To support early ideas on plant microbe interactions with an impact on agricultural production.		Scientists working in Indian research institutes/universities	To be announced		http://www.dbtindia.nic.in/wp-content/uploads/Plant_microbeproposals28042016.pdf
Research	DST (SERB)	Special Initiatives in Organic Chemistry		Equipment, personnel, Supplies & consumables, contingencies and travel	PhD, regular appointment in a research institute			http://serb.gov.in/pdfs/OC-ADvt.pdf

Research	DST	Nano Mission	For research in the field of Nano science and technology, online application			Rolling programme	3 years	http://www.nanomission.gov.in/
Women in Science (Research)	DST	Woman Scientist scheme (WOS-A)	WOS-A-R&D	WOS-A: Rs 55,000pm salary + Rs 30 lakh	for unemployed women scientists	Rolling programme	3 years	http://www.dst.gov.in/scientific-programme/women-scientists.htm
Women in Science (Research)	DST	Woman Scientist scheme (WOS-B)	WOS-B-application of research and solution for societal issues. Two modes:- Internship mode: For women	Internship mode: 1	For unemployed women scientists whose age limit is below 57 years	To be Announced	3+2 years	http://www.dst.gov.in/scientific-programmes/scientific-engineering-research/women-scientists-programs
Research	EARTHWATCH Institute US/International	Research Grants		average \$850 per volunteer with average project grant range between \$17,000 and \$51,000 for one full field season. Funds cover food, accommodation, and in-country travel. PI travel to	Advanced scholars and professionals of any nationality, covering any geographic region. EARTHWATCH supports doctoral and post-doctoral researchers, or researchers with equivalent scholarship or	18 Months prior to research initiation (12th June, 2016)	Grants renewed annually, long-term research projects are encouraged. Principal investigators to indicate their projected research	http://www.earthwatch.org/aboutus/research/scientistopps/researchpropp/
Research	Gates	Grand Challenges Explorations	Pump-priming funding for initial ideas, for topics listed in the current call.	\$100,000 initially with follow-on for successful projects to the tune of	No restrictions	To be announced (May)	1-6 years* (with extension)	http://www.grandchallenges.org/Explorations/Pages/Introduction.aspx
Research	HHMI-GATES-the Wellcome Trust-Calouste Gulbenkian Foundation	International Research Scholars program- 2016 competition	Scheme for supporting highly qualified scientists working in selected	upto \$650,000 (\$2	Eligible candidates must have trained in the US/UK at the doctoral,	To be announced	5 years	https://www.hhmi.org/programs/biomedical-research/international-programs
Research	ICMR	AD-HOC RESEARCH SCHEMES	Research in health and biomedical sciences	Research staff, Equipment, Contingencies, Travel, Overheads	PhD, regular appointment in a research institute	To be announced	2-3 years	http://www.icmr.nic.in/ad-hoc.htm
Research	James McDonnell Foundation (USA)	2016 Scholar Awards in Complex Systems Science	Supports research directed toward the development of theoretical and mathematical tools that can be applied to the study of complex, adaptive, nonlinear systems.	Flexible funding of \$450,000	5-15 years post PhD with a regular position in a non-profit research institution. No nationality restrictions	To be announced	3-6 years	http://www.jsmf.org/apply/scholarcs/index.htm
Research	Simons Foundation Autism Research Initiative (SFARI)	SFARI Explorer Awards	neuroscience research which complements studies on autism spectrum disorders	maximum direct costs of \$70,000	PhD, MD or equivalent with faculty position in research or educational	Rolling Programme	1 year	http://sfari.org/funding/grants/explorer-awards-rfa
Research	Simons Foundation Autism Research Initiative (SFARI)	Circuit Dynamics Request for Applications	to advance understanding of the circuit basis for behavioral and cognitive alterations relevant to autism spectrum disorders (ASD). SFARI	Total commitment by SFARI for this RFA is \$1 million	PhD, MD or equivalent with faculty position in research or educational institute. No citizenship or country	To Be Announced	2 years	http://sfari.org/funding/grants/circuit-dynamics-rfa

Research	Simons Foundation Autism Research Initiative (SFARI)	2017 Pilot and Research Awards - Request for Applications (RFA)	to improve the understanding, diagnosis and treatment of autism spectrum disorders (ASD) by funding innovative research of the highest quality	SFARI Pilot Award- \$150,000/ year, SFARI Research Award- \$350,000/year	Ph.D., M.D. or equivalent degree and have a faculty position or the equivalent at a university, medical school or other research facility.	LOI- 9th, dec, 2016, Full application- 22nd March, 2017	SFARI Pilot Award- 2 years, SFARI Research Award- 3 years	https://sfari.org/funding/grants/2017-pilot-and-research-awards-request-for-applications?utm_source=SFARI+RFA+Notifications%2FAnnouncements&utm_campaign=
Research	Simons Foundation Autism Research Initiative (SFARI)	Analysis of Simons VIP Biospecimens Request for Applications	This RFA seeks proposals that take advantage of the unique combination of biospecimens and rich phenotypic information collected		PhD, MD or equivalent with faculty position in research or educational institute. No citizenship or	To Be Announced		http://sfari.org/funding/grants/analysis-of-simons-vip-biospecimens-rfa
Research	USAID/NSF	Partnership for enhanced engagement in Research (PEER)	Research on topics of importance to USAID and NSF including but not limited to food security, climate change, global health issues and other	Direct costs of \$30000-\$60000 per year, in exceptional cases awards can be made upto \$110,000 per year	PIs in developing countries collaborating with a PI in US having a NSF grant active for the duration of the award	To be announced (Jan)	1-3 years	http://sites.nationalacademies.org/pga/peer/index.htm
Research	Wellcome Trust (UK)	Collaborative Awards in Science	To fund teams of researchers, consisting of independent research groups, to work together on the important scientific	Up to £4 million	Applicants should hold an academic or research post (or equivalent) at eligible organisations in the UK, Republic of	Preliminary application deadline: 17-Nov-2016	upto 5 years	https://wellcome.ac.uk/funding/collaborative-awards-science
Research	Wellcome Trust (UK)	Investigator Awards in	To support researchers at all career stages working on important questions of relevance in broad priority areas such as genetics &	Research expenses from under £500,000 to around £3 million	ended or long-term rolling contract, salaried by host organisation in the UK, Republic of Ireland or a low- or middle-income	21-Nov-16	Upto 7 years	https://wellcome.ac.uk/funding/investigator-awards-science
Research	WWF-India	Small Grants Program	for carrying out conservation research or undertaking a conservation project	Rs 400,000	individuals based in India	Grants are provided once a year. Applications to be submitted by 31-Dec	6-12 months	http://www.wwfindia.org/about_wwf/small_grants_program/
Infrastructure Grants								
Equipment	DBT	Project for creation of Infrastructural facility					5 years	http://dbtindia.nic.in/writereaddata/12125038272_proforma_infrastr
Equipment	DBT	Creation of Center of excellence and Innovation in Biotechnology (CEIB)	The following three types of grants will be provided under this programme: 1) Centres of Excellence (COE) in Biotechnology to establish Centres of		Category 1: Team Leader should be acknowledged scientist in his own research area. Mandatory to create a minimum	To Be Announced	5 years, (extendable by maximum 5 years)	http://dbtindia.nic.in/wp-content/uploads/CEIB.pdf
Equipment	DST	Fund for improvement of S&T infrastructure (FIST)	All Science (including N	Level 0(Govt./ aided Colleges): up to Rs. 150 lakh, Level I (PG S & T	Level 0: PG Colleges, Level I&II: University & Institutes	To be announced	5 years	http://fist-dst.org/htmlfiles/advertisement-guidelines.html

Equipment	Wellcome Trust (UK)	Multi-user equipment	Contribution from the host institution or other source, proportionate to the total amount requested is expected.		applicants in the UK who have a track record in obtaining grant funding. Researchers in low- or middle-income countries eligible to apply if they have a track record of Trust funding or	To be announced	upto 5 years	http://www.wellcome.ac.uk/Funding/Biomedical-science/Funding-schemes/Strategic-awards-and-initiatives/WTDV031728.htm
International Collaborations								
Research	BBSRC/DBT	Joint DBT-BBSRC Call for Collaborative Proposals to support Crop Genomics	Needs UK collaborator. Priority areas are enabling technologies or trait oriented research for crops of interest to both India and UK and include wheat	Direct research costs, overheads as per DBT norms	All researchers eligible for DBT funding	To Be Announced	upto 3 years	http://dbtindia.nic.in/docs/CropGenomicsCallFINAL.doc
Research	DBT/DIISTR (Australia)	Indo-Australian Fund for S&T Cooperation in Biotechnology- Collaborative Research Projects	Themes supported include-Vaccines, Immunomodulators and Immunotherapeutics,	1.3-1.7 crores	Need Australian collaborator	To be Announced	3 years	http://dbtindia.nic.in/docs/Indo-Australia7thRoundGuidelinesfinal.doc
Research	DBT/CDTI, Spain	INDO-SPANISH JOINT CALL FOR TECHNOLOGICAL CO-OPERATION IN	Industry-driven and market-oriented R&D projects in all areas of		Need Spanish industry collaborator	To be announced	1-3 years	http://dbtindia.nic.in/docs/Callforproposalsi2Q13.doc
Research	DBT/Danish council for strategic research	Strategic Joint research collaboration within health science biotechnology	Covers diverse areas including Stem cells, Lifestyle diseases, cancer etc.	€ 3.5 million for up to two projects. Covers direct project costs.	Needs Danish Collaborator	To be announced	3-5 years	http://dbtindia.nic.in/docs/DBT-Denmark_Call.pdf
Research Training	DBT/DFG	Indo-German International Research Training Groups	for training of doctoral students in both countries, in areas of mutual interest, covering all areas Biotechnology, with specific emphasis on	personnel, project specific costs, equipment, consumables, travel and living costs.	researchers permanently employed at academic institutions / universities, recognized by the	To Be Announced	4.5 years with possible extension for one more term	http://dbtindia.nic.in/news_management/PressreleaseDetails.asp?PressId=250&button=Edit
Research	DBT/ ISTPCanada	Ontario (Canada) - India S& T Cooperation, ISTP Canada DBT Joint Call for Proposal in all area of Biotechnology including Life Sciences and Medical Devices	Projects need to be innovative and have future commercialization prospects	Separate budget for Ontario (Canada) and Indian participants, need to demonstrate 25% of non-governmental support in addition to some participant contribution	Eligible leads from Ontario (Canada) and India include: researchers and managers of India/Ontario-based companies, academic institutions, research hospitals, other institutes or associations that operate and are	Submission of Expression of Interest (EOI) by 19th Nov. full application(if invited) submission deadline: 19th Dec, 2013		http://dbtindia.nic.in/docs/Call_For_Proposal_Ontaria.pdf

Research	DBT/ISTP Canada	CANADA - INDIA SCIENTIFIC AND TECHNOLOGICAL COOPERATION, ISTPCanada-DBT Joint Call for Proposals for Collaborative R&D Projects	To foster and support development of collaborative R&D projects bringing together Industry and academia from both countries for joint development of inovative products or processes. Priority areas include	up to a maximum of CDN \$400,000 or up to 50 percent of the eligible R&D project value	Canadian lead to be a for-profit company, Indian side lead may be Companies; academic institutions; research hospitals; or other R&D institutes but participation from	To be Announced	12-24 months	http://dbtindia.nic.in/performa/ISTPCanadaDBTcallforproposalMay2012.doc
Research	DBT/VINNOVA/ SRC (Sweden)	Strategic Indo-Swedish Cooperative Innovation Programme- Joint call in the field of Health	Project s should be related to health areas, and should provide economical, societal and environmentally sustainable solutions.	Manpower, equipment, consumables, travel expenses etc	Indian and Swedish partners from public, private and nonprofit organizations that perform R&D and innovation activities.	To be announced	18-36 months	http://dbtindia.nic.in/docs/Strategic2ndCALL2013.doc
Research	DBT/RMES (Russia)	Indo-Russia Joint Call for Proposal (2014-2016)	Priority areas include Bio-energy, Nano-biotechnology, Bio-instrumentation, Affordable Diagnostics/ Devices for Human Health and Agriculture	Maximum funding not more than INR 2,70,00,000 per project	PhD, regular employment in host institute, age not more than 55 years, one investigator from India and one from Russia	To be announced	3 years	http://dbtindia.nic.in/docs/Indo-Russia_JCP2014-16.pdf
Research	DBT/ Swiss Embassy in India	Indo-Swiss Collaboration in Biotechnology (ISCB)	Technical thrust areas are to improve input efficiency, stress resistance and targeted delivery using biotechnologies or life sciences approaches by (i) genetic enhancement of crops and (ii) novel inputs for improved crop production	Personnel, recurring expenses, equipment and cost towards scientific exchanges, meetings/workshops for the entire project	Phd with experience in relevant areas, regular employment in a research institute, below 55 years of age.	To Be Announced	3 years	http://dbtindia.nic.in/docs/FlagXrevisedAdvertisement28JAN2013.doc

Research	DBT/TEKES,Finland	Indo-Finland Joint Call for Proposals in Health and Well Being			Projects from industry or research organisations. Industry-academia collaboration recommended. Needs Collaborator in Finland			http://dbtindia.nic.in/docs/DBTTeKesCall.doc
Research	DBT/MOST, Vietnam	INDO- VIETNAM JOINT CALL FOR COLLABORATIVE PROPOSALS	TO SUPPORT MEDICAL, ENVIRONMENTAL AND AGRICULTURAL BIOTECHNOLOGY (INCLUDING ANIMAL		Indian and Vietnamese researchers regularly employed in Indian or Vietnamese public	To be Announced	24 to 36 months	http://dbtindia.nic.in/docs/Adv_t_vietnam.doc
Research	DST/ANR	DST-ANR collaborative research proposals	Pre-proposal stage. Target topics- Neuroscience and Engineering sciences	Sending side pays for travel, accomodation, per-diem	Indian and French researchers in regular employment	to be announced	3 years	http://cefipra.org/pdf/DST-ANR-Joint-Call-for-Pre-proposals.pdf
Research	DST/A*STAR	India -Singapore Joint Science and Technology Research Cooperation	Supports joint research projects in the area "Advanced Materials & Energy"	Consumables, Exchange visits. Sending side funds international travel, medical insurance,	Indian and Singaporean researchers in regular employment	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/COP_DST-ASTAR.pdf
Research	DST/ DIISTR (australia)	AUSTRALIA-INDIA STRATEGIC RESEARCH FUND (AISRF)- Collaborative Research Projects	Needs australian collab. Restrictive areas of research, includes Marine Sciences, Earth Sciences	Travel, accomodation, JRF/RA, consumables, minor equipment, work-shop specific	Independent position in research institute/Univ	To Be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/cop_indo-australia.pdf
Research	DST/DIISTR (Australia)	Grand Challenge Component (Round 2)	priority areas for this round are "Health" and "Energy"	Equivalent of 3 million AUD for the Indian component. Priority areas "food	Requires australian collaborator and an end user	To be Announced	3-4 years	http://www.innovation.gov.au/Science/InternationalCollaboration/aisrf/Documents/AISRFGrandChallengeComponentRound2.pdf
Research	DST/DFG (Germany)	Indo-German Programme	Priority areas in Chemistry	Project specific direct costs viz. consumables, personnel and	Requires German Collaborator	To be Announced	upto 3 years	http://www.dst.gov.in/whats_new/whats_new_12/COP_DST_DFG_2012.pdf
Research	DST/ Max Planck Society	Max Planck Partner Groups at Indian Partner Institutions	Research to be conducted at Indian partner institution (IPI)	20,000 EURO p.a. by MPI, equivalent funding from IGSTC (Indo-German Science and Technology Centre) on behalf of MPI	Fellowship for junior scientist/Post doc to promote cooperative research between the former	To be announced (Sep)	3-5 years	http://www.dst.gov.in/whats_new/whats_new_12/COP_DST-MPG.pdf
Research	DST/NRF (South Africa)	INDIA - SOUTH AFRICA JOINT SCIENCE AND TECHNOLOGY RESEARCH COOPERATION- 2013	Priority areas include Green chemistry and biotechnology and Health Sciences	manpower, consumables and minor accessories, research expenses, project related visits of Indian and South	Scientists with regular employment in India and South Africa	To be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/cop-india-sa.pdf

Research	DST/JSPS (Japan)	Indo-Japan Cooperative Science program (IJCSP)	scientific areas supported include Fundamental Sciences: Physical and Chemical Systems, Materials and System Engineering: Man-made Systems, Natural Systems: Life Sciences and	International return airfare, airport transfers, accommodation, per diem. For joint workshops/seminars to be organized in India, local travel cost of selected Indian participants and	Indian and Japanese PIs working in regular capacity	To be announced (Sep)	2 years	http://dst.gov.in/whats_new/whats_new15/COP_IJCSP2015.pdf
Research	DST/JST (Japan)	Strategic Japanese-Indian Cooperative Program Biomedical Research Call	Scientific area supported- Biomedical Research (medical diagnostics for infectious diseases; System biomedicine and their computational platforms)	DST- international exchange in bilateral mode. JST- international exchange, research expenses, overhead and other costs. Additional funds for supporting	Indian and Japanese PIs working in regular capacity	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new13/Call%20for%20Proposal%202013-14,%20DST-JST.pdf
	DST-RFBR	Indo-Russian Joint Research Call for Proposals	Indian and Russian scientists / researchers to submit proposals for Joint projects on Fundamentals of Nuclear Sciences, High performance computing and big data etc	US \$ 30,000	The team leaders must hold a full-time position at a university or research institute in their respective countries.	To be announced	2 years	http://dst.gov.in/sites/default/files/rfbr-interdisciplinary-call-05-feb-2016_0.pdf
	DST	Indo-Belarus Joint Research Programme	Joint R&D project proposals from scientists & technologists from India and Belarus	Research expenses and support for exchange visits	The applicant should be a Leader of a team of scientists in each country and should hold a full-time position at a University or Research Institution	31-May-16	2 years	
Research	DST/RMES (Russia)	Indo-Russia Joint Call for Proposals		up to Rs. 6,000,000 from DST and up to Rb1s 3,000, 000 from RMES to cover support for consumables and other research expenses, bilateral exchange and institutional	PhD, regular employment in host institute, one investigator from India and one from Russia	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new14/cop_rmes2014.pdf
Research	Human Frontier in Science Program (HFSP)	Young Investigator's grants	India eligible	\$450,000 per year per team	Junior Independent PI, within 5 years of obtaining an independent position	To be announced	3 years	http://www.hfsp.org/funding/research-grants/information-and-guidelines

Research	Human Frontier in Science Program (HFSP)	Programme grants	India eligible	\$450,000 per year per team	Independent PI	To be announced	3 years	http://www.hfsp.org/funding/research-grants/information-and-guidelines
Research	Human Frontiers in Science Program (HFSP)	Career Development Award	For former HFSP fellows	Salary, research costs, posts, kit, collab travel= 1.5 crores	Need to have held one of 2 Feeder Fellowships (between 2004-2009)	To be announced (Nov)	3 years	http://www.hfsp.org/funding/career-development-awards
Research	India US Science and Technology Forum (IUSSTF)	US- India Science and Technology Endowment	Program Areas include: Affordable biomedical devices, diagnostic / preventive / curative measures, or food and nutrition products to improve health. Information and communication	Grants of up to INR 2.50 crores or approximately \$400,000 (subject to prevailing exchange rate).	entities from academia, national laboratories, non-governmental R&D institutions and start-up companies.	To be announced		http://www.usistef.org/
Fellowship- Group Leader	CEFIPRA	Indo-French Collaborative research projects	Needs French collaborator	travel, DA for visiting scientist, marginal costs of project including equipment, personnel (only postdocs or PhD)	PhD, permanent appointment in a research institute	1 April and 1 Oct each year	3 years	http://www.cefipra.org/section.aspx?catid=819&langid=1
Research	National Geographic	Conservation trust	funds projects that contribute significantly to the preservation and sustainable use of the Earth's biological, cultural, and historical resources	U.S. \$15,000 to \$20,000	No restriction on educational qualification. applicants must provide a record of prior research or conservation activities	at least 8 months prior to anticipated field dates	1 year	http://www.nationalgeographic.com/explorers/grants-programs/conservation-trust-application/
Research	Swiss national Science foundation/ DST	Indo Swiss Joint Research Programme JOINT RESEARCH PROJECTS	Needs Swiss collaborator, fields funded in this round, Nanotechnology and oncology	personnel, consumables, travel and living expenses for the visiting partner. Total Swiss budget	Regular position in Indian research institute	To be announced	36 months	http://www.dst.gov.in/whats_new/whats_new_13/COP_ISJRP_final.pdf
Research	CEFIPRA	Industry Academia Research & Development Programme (CEFIPRA)	To promote linkages between Industry and Academia of France and India by involving at least one industrial partner	Manpower, consumables & contingency, travel	Principal collaborators and joint collaborators having permanent positions as academic faculty	To be announced	3 years	http://www.cefipra.org/section.aspx?catid=877&langid=1
Research	India (DBT,DST), Belgium (FNRS), Estonia (ETAg),Finland (AKA),Germany (BMBF), Latvia (VIAA)	Indo-European Science and Technology Call on Biobased energy (INNO INDIGO)	To support projects undertaken by a partnership of institutions ("consortium")	For projects supported by DBT up to Rs.3 crores/project, for projects supported by DST up to Rs. 3 crores/project	Public and/or private entities are eligible according to their respective national/regional policies	To be announced	2-5 years (DBT), 3 years (DST)	https://indigoprojects.eu/page/74/attach/ST_Call_Text_IPP3_final.pdf
Research	CEFIPRA-BIRAC	Red Biotechnology up to pre-commercialization stage	To support bilateral, innovative and market-driven projects in the field of molecular diagnostic for production of	up to 40 lakhs for Indian Side and € 50000 for French project costs	The proposals must involve at least two French partners (one academia and one industry) and two	To be announced	2 years	www.cefipra.org/pdf/Advt_Publication%20BIRAC-SST.pdf

Research	India (DBT, DST), France ((Bpifrance), Germany (GMBH), Norway (RCN), Spain (CDTI)	Indo-European Innovation Joint Call for proposals in the field of Bioeconomy (INNO INDIGO)	To create long-term collaboration between innovation stakeholders based in India and Europe	For projects supported by DBT upto Rs. 3 crores/project; for projects supported by DST upto Rs.	Public and/or private entities are eligible according to their respective national/regional regulations. At	31st Aug, 2016	2-5 years (DBT), 3 years (DST)	https://indigo.projects.eu/funding/indigo-calls/innovation_call_2016
International Exchange								
Travel/collaborative	IFCPAR/ CEFIPRA	Raman-Charpak Fellowship Program	To support highly qualified PhD students registered in an	Euros (for Indian students)/Rs. 40,000 (for French	Students registered for PhD in an	To be announced	2-6 months	http://cefipra.org/ramancharpak/Updated_guidelines_For_Raman_C

Travel/collaborative	BMWFV-DST	Joint call for proposals for exchange	To support Indo-Austrian scientific collaboration through	Travel, accommodation and material cost	Researchers working at universities,	To be announced	2 years	http://www.dst.gov.in/sites/default/files/DST-India%20and%20WTZ-
Travel/collaborative	IUSSTF	Indo-US R & D Joint Networked Center	To enable Indian and American scientists from academia and	Unit exchange international and domestic travel	Minimum of two Indian and two American separate	31st Aug 2016	2 Years	http://www.iusstf.org/story/53-19-Indo-US-R-and-D-Joint-
Travel/collaborative	Matsumae International Foundation, Japan	MIF Research Fellowship	To allow researchers to undertake short term research	Stipend, Travel, insurance, relocation and	PhD, permanent appointment in a research institute,	31st Aug, 2016	3-6 months	www.mif-japan.org/fellowship/announcement/?hl=en
Travel/collaborative	Cambridge-India	Hamied Visiting+G170+C102: K11+C101:1110	To support faculty exchange in order to strengthen existing	Travel, transfers and accommodation	Researchers at Indian universities with an existing		1-2 weeks	http://www.cambridge-india.org/funding-opportunities/hamied-
Travel/collaborative	BBSRC (UK)	India Partnering Award	Promotes scientific exchange especially of early career scientists between India and UK	£ 30000 for Travel, subsistence and other activities such as workshops and exchanges	UK partner needs to be BBSRC funded	To be announced (Nov)	4 years	http://www.bbsrc.ac.uk/funding/international_funding/india.aspx
Travel/collaborative	DAAD, Germany	Research Stays	To carry out a research project at a state (public) or state recognized higher education institution or non-university research institute in	The monthly award of upto 2,000 euros, international return airfare	University academics and scientists from India on active duty	15-Oct-16	1-3 months	http://www.daaddelhi.org/imperia/md/content/newdelhi/fa.pdf
Travel/collaborative	DAAD, Germany	Re- invitation programme for former scholarship holders	To carry out a research project at a state (public) or state recognized higher education institution or non-university research institute in	The monthly award of upto 2,000 euros, international return airfare	Former DAAD one-year scholarship holders and former scholarship holders who had studied in East Germany	To be Announced	1-3 months	http://newdelhi.daad.de/mainFrame/home/reinvitation.pdf
Travel/collaborative	DBT/BMBF	Indo-German Joint Call for Proposals in the area of Biotechnology –	Support for Joint research projects, Bilateral workshops/seminar, Exchange visits of scientist. Areas of cooperation include Biodiversity, Treatment of Sewage Water, Neuroimaging, Diagnostics	Travel, overseas insurance, living expenses. Reasonable support for equipment, manpower, consumables, etc. is available by DBT for Indian PI's from public institutions	Scientists/faculty members working in regular capacity in Universities, national R&D Laboratories/ Institutes and private R&D institutes can apply under this programme. Partners from all	To be Announced	2 years	http://dbtindia.nic.in/news_management/PressreleaseDetails.asp?PressId=316&button=Edit

Travel/collaborative	DBT/ MCTI (Brazil)	Indo-Brazil-Joint call for proposals in the field of Biotechnology	Priority areas, Biomedicine and health, biotech products such as vaccines, kits etc, and Agriculture especially	Staff exchange visits, PhD/postdocs may spend upto 12 months in Brazil with stipend	Needs Brazilian collaborator, regular position in research institute	To be announced	3 years	http://dbtindia.nic.in/docs/IndoBrazil_JCP2013-16.pdf
Travel/collaborative	DBT/MHESR, Tunisia	Indo-Tunisian -Joint call for proposals in the field of Biotechnology	Medical, Animal and Agricultural biotechnology, Bioactive molecules of plant/animal origin, Environment and Forests	Limited project staff, Staff exchange visits, workshop costs	One investigator from India and Tunisia with good publication record and a regular position in an academic institute	To be Announced	3 years	http://dbtindia.nic.in/docs/IndoTunisiaJCP201316.pdf
Travel/collaborative	DBT/State of Queensland, Australia	INDO-QUEENSLAND EARLY CAREER FELLOWSHIPS 2012	Priority areas are Agriculture or medical biotechnology, although other potential areas for collaboration with Queensland may also	USD 24000 per month, Rs 120000 preparatory allowance and return airfare by national carrier	0-5 years post PhD with a regular position in India or Queensland, Australia	To Be Announced	3-9 months	http://dbtindia.nic.in/docs/EarlyCareerfellows2012(Indian)Guidelines.doc
Travel/collaborative	DST/ASSR (Slovenia)	India-Slovenia Joint call for proposals	Priority areas funded include but are not limited to Health and biotechnology, including food research, New materials, including polymers; Biosensors,	International return airfare, accomodation and per-diem	Programme is open to scientists, engineers, institutions engaged in advanced research in areas referred in the call in India	To Be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_14/India-Slovenia%20Joint%20Call%20-%202014.pdf
Travel/collaborative	DST/Unit for Scientific and Technological Cooperation of the Italian Ministry of Foreign Affairs	Executive Programme of Scientific and Technological Cooperation	Priority areas include biotechnology and medicine, nanotechnology and environment	collaborative travel for 10 days-1 month month/yr and sustenance	PhD with regular position in research inst/univ.	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new_11/cop-indio-italian_2012-14.pdf
Travel/collaborative	DST/CNPq of MCTI (Brazil)	Indo-Brazil Joint call for proposals	Priority areas include Computer science, Earth system, Health and Biomedical Sciences	Costs involved in scientific exchange of personnel	Scientists/faculty members working in regular capacity in Government recognized	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/cop_India-Brazil-2013.pdf
Travel/collaborative	DST/CNPq (Brazil)/NRF (South Africa)	INDIA/BRAZIL/SOUTH AFRICA (IBSA) Cooperation in Science and	Priority areas include HIV and AIDS, Malaria, Tuberculosis, Biotechnology (in defined areas)	Exploratory visits, research expenses and organisation of joint seminars/workshops	Scientists in regular employment. Involvement of only single PI from	To be announced	3 years	http://www.dst.gov.in/whats_new/whats_new_13/COP_IBSA.pdf
Travel/collaborative	DST/ DAAD (Germany)	DST-DAAD Project based personnel exchange programme		collaborative travel for upto 4 visits on either side	Needs German collaborator	To be announced	2 years	http://imperia/md/content/newdelhi/ind_dst-daad_ppp_2016-17_announce.pdf
Travel/collaborative	DST/ FWF (austria)	DST-FWF Joint Research Projects	open to all scientific disciplines of natural sciences, agricultural and veterinary sciences, engineering, earth sciences, mathematics, theoretical computer	manpower (max up to 2 JRF/SRF/RA etc); chemicals/ consumables (max up to Rs. 5.0 Lakh per year) minor equipment/	Needs Austrian collaborator	To be Announced	3 years (upto 2 visits of 30-60 days/each side/ year)	http://www.dst.gov.in/whats_new/whats_new_12/COP_%28DST_FWF%29_2012.pdf

Travel/collaborative	DST/ Foundation for Science and Technology (FCT), Portugal	Indo-Portugese Programme of cooperation in Science and Technology	Collaborative travel. Priority areas include biotechnology, nanotechnology, health and agriculture sciences etc	Travel and living expenses	Needs Portugese collaborator	To be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_12/cop-indo_portugese.pdf
Travel/collaborative	DST/ Japanese Society for the Promotion of Science	India-Japan Cooperative Science Programme (IJCSP)	collaborative travel	Travel and living expenses	Needs Japanese collaborator	8th Sep, 2016	2 years	http://dst.gov.in/whats_new/whats_new15/COP_IJCSP2015.pdf
Travel/collaborative	DST/ MINCYT, Argentina	Indo-Argentine Bilateral scientific cooperation	Needs Argentine collaborator, field funded include but not restricted to biotechnology (including drug discovery). Medical	Travel and living allowances for short exchange stays	PhD, regular appointment in a research institute	To be announced	short term 15days-3 months	http://www.dst.gov.in/whats_new/whats_new_14/COP_Indo-Argentina-2014.pdf
Travel/collaborative	DST/ MNISW (Poland)	Indo-Poland Joint Research Programme	Any scientific area	Limited research expenses, travel, accomodation, per diem	scientists/researchers in India and Poland	To be announced	2 years + extension of 1 year based on merit	http://www.dst.gov.in/sites/default/files/Indo-Poland-Joint%20-Research-Programme.pdf
Travel/collaborative	DST/ NSC (Taiwan)	INDIA-TAIWAN PROGRAMME OF COOPERATION IN SCIENCE & TECHNOLOGY	Priority areas include Tropical food borne infectious diseases, Drug discovery and pharmaceutical, Chemicals	Exchange visits, limited research costs including manpower, minor equipment,	Scientists and engineers in regular employment in India and Taiwan	To be Announced	3 years	http://gita.org.in/Upload/CallProposal/India%20Taiwan%20Call%20for%20Proposal%202013.doc
Travel/collaborative	DST/ National Innovation Office (NIO), Hungary	Indo-Hungarian Strategic Research Fund (IHSRF)	Collaborative travel for joint research projects	Travel and living expenses, consumables, labour costs	Needs Hungarian Collaborator	To be Announced	2 years	http://www.dst.gov.in/whats_new/whats_new_13/Ino-Hun%20ST%20CfP_NIO_13%2009%2009%2013%2009%2009%2013.pdf
Travel/collaborative	DST/ Ministry of Education, Youth and Sports, Czech republic	Indo-Czech Programme of cooperation in Science and Technology	Collaborative travel for joint research projects for priority areas such as natural sciences including biotechnology, health and medical sciences, climate change.	Sending side pays for travel, visa fees, accomodation, medical insurance, living expenses	Needs Czech collbaorator	To be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_12/cop_indo-czech.pdf
Travel/collaborative	DST/MHESR (Tunisia)	Indo-Tunisian call for joint proposals	Collaborative travel for joint research projects for priority areas such as biotechnology, material sciences, medical sciences etc	sending party covers the costs of international travel and the receiving party meets the boarding and lodging expenses	Needs Tunisian collaborator	To Be Announced	2 years	http://www.dst.gov.in/whats_new/whats_new_12/Tunisia COP 2012.pdf
Travel/collaborative	DST/ Research Council of Norway	Indian Norwegian joint research projects	Collaborative travel for joint research projects in environmental related topics	0.5 -1.3 mill USD from Norwegian side with matching funding from DST primarily for exchange visits, also incremental	Regular employment at a research institute. Needs Norwegian Collaborator	To Be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new_12/cop_dst-rcn.pdf
Travel/collaborative	DST/ Spanish Ministry of Science and innovation (MICINN)	Indo-Spain Joint Programme of cooperation in Science and Technology	Collaborative travel for nanotechnology, health and medical research	Travel and living expenses, consumables, small equipment	Regular employment at a research institute. Needs Spanish Collaborator	To be Announced	3 years	http://www.dbtindia.nic.in/wp-content/uploads/CFP2015_18052015.pdf

Travel/collaborative	DST/ Swiss Program Office	Indo-Swiss Joint Research Programme Personnel Exchange Programme	Collaborative travel	travel and living expenses	Needs Swiss collaborator, should include at least 1 PhD or postdoctoral	To be Announced	2 years (4 visits of 30-90 days)	http://www.dst.gov.in/whats_new/whats_new11/COP_ISJRP_PEP_2012.pdf
Travel/collaborative	DST-State Agency on Science, Innovations and Information of Ukraine	Indo-Ukraine Bilateral scientific cooperation	Needs Ukaranian collaborator. Research Areas funded- biotechnology, physics, nanosci and nanotechnology	mobility costs, sending side-international airfare, host-local travel, accomodation and living expenses	PhD, permanent appointment in a research institute	To be Announced	3 years	http://www.stic-dst.org/CallUkraineIndia.pdf
Travel/collaborative	DST- National Science Council of Taiwan	India- Taiwan Programme of Co-operation in S&T, Joint Research Project proposals	Priority areas include structural biology, functional genomics, biomedical devices etc	mobility costs, sending side-international airfare, host-local travel, accomodation and living expenses. Incremental	Scientists and Engineers in India and Taiwan	To be Announced	3 years (upto 2 visits of 30-60 days/each side/ year)	http://gita.org.in/funding_country_4.html
Travel/collaborative	DST/UKIERI	DST-UKIERI Thematic Partnerships	Needs UK collaborator, for themes of Sustainable energy supply, Food production and security, Water supply and security, Health and Disease,	£60,000-75,000 covers travel, visa fees, local accomodation, limited research consumables	PhD, regular appointment in research institute in india or UK	5th October, 2016	2 years (4 visits of 15-89 days/each side/year)	http://www.dst.gov.in/whats_new/whats_new13/DSTUKIERIGuidelines2013.pdf
Travel/collaborative	DST/ Ministry of Science and Technology, Vietnam	INDO-VIETNAMESE PROGRAMME OF COOPERATION IN SCIENCE & TECHNOLOGY	Needs Vietnamese collaborator, themes supported include- Biotechnology applied in health care, pharmaceuticals and agriculture, Nanotechnology, Oceanography and Marine Sciences,	upto Rs. 30 lakhs for exchange visits (airfare, visa fees, medical insurance, local travel and sustenance costs), limited manpower; minor equipments (max of Rs. 5.0 lac); chemicals/	PhD, permanent appointment in a research institute, junior researchcers can be included in the grant	To be Announced	2 years (2 visits per year of 10-30 day duration)	http://www.dst.gov.in/whats_new/whats_new13/cop_indo-vietnam.pdf
Research training	International Brain research Organization (IBRO)	IBRO-APRC Exchange Fellowship	scientific exchange in the Asia-Pacific region , for training in the field of neuroscience	US \$ 8500	senior PhD, postdoc or junior faculty (less than 45 yrs of age)	June	4-6 months	http://ibro.info/professional-development/funding-programmes/regional-grants/asiapacific-
Fellowship-Group Leader	Matsumae International Foundation (Japan)	MIF Research Fellowship	Needs to work in Japanese institute	Stipend, Travel, insurance, relocation and living expenses	PhD, permanent appointment in a research institute	31-Aug-16	3-6 months	http://www.mars.dti.n.e.jp/~mif/
Travel/collaborative	National Council for Science & Technology (CONACYT) of United Mexican States/ DST	Indo-Mexican Scientific- Technological Cooperation Programme	exchange visits between scientists in India and Mexico	travel, insurance, accomodation living expenses	Needs collaborator in Mexico	To be Announced	2-3 years	http://www.stic-dst.org/IndoMexicanJointCall%202011.pdf
Research	Royal Society, UK	International Exchange scheme	Needs UK collaborator	£3000-£12,000 with max. £1000-£2000 research expenses depending on	Postdoc or holding independent position in research institute/university	To be announced	variable from 3months, 1 year or 2 years	http://royalsociety.org/grants/schemes/international-exchanges/

Travel/collaborative	UGC/UKIERI	UGC-UKIERI Thematic Partnerships	Needs UK collaborator, all subjects including Humanities, Social Sciences, Science and Technology projects supported	£60,000 covers travel, visa fees, local accommodation, limited research consumables	PhD, regular appointment in research institute in india or UK	To be confirmed	2 years (4 visits of 15-89 days/each side/year)	http://www.ukieri.org/images/xls/UGCUKIERI_GUIDELINES2013.doc
Fellowship- Group Leader	Utrecht University, Netherlands	Utrecht University Visiting Teaching fellowship	For exchange visits between NCBS and Utrecht University	Maximum support of € 5000	Professors in one of Utrecht University research focus areas	To be confirmed	2 weeks- 1 semester	http://www.uu.nl/SiteCollectionDocuments/Visiting_Fellowship_2013-2014_Application_form.docx
Organising Meetings/Symposia/Workshops								
Collaborative workshops	DBT/DIISTR (Australia)	Indo-Australian Fund for S&T Cooperation in Biotechnology- Collaborative Workshops	Themes supported in this round include- Biomedical Devices and Implants, Stem Cells, Transgenic Crops and Marker-assisted Breeding, Nutraceuticals and Functional Foods, Bioremediation, Bioenergy and Biofuels,	Rs. 15,00,000-20,00,000	Need Australian collaborator	To be Announced	3 years	http://dbtindia.nic.in/docs/Indo-Australia7thRoundGuidelinesfinal.doc
Meetings	DBT	Financial Assistance for organising Conference/Seminar/Symposium/Workshops						http://dbtctep.gov.in/
Meetings/Workshops	DBT	Neuroinformatics and Computational Neuroscience Education (INCNE)	To organise Indian workshops and short courses in the area of Neuroinformatics and Computational Neuroscience.	Travel, accommodation, meals and Halls and equipment rentals		Rolling programme, applications reviewed twice a year		http://innni.ncbs.res.in/node/add/workshop-support
Meetings	DST	Financial Assistance for organising Conference/Seminar/Symposium/Workshops		Partial assistance for organising meetings at national or international level				http://serb.gov.in/apbs.php
Collaborative workshops	DST/ DIISR (australia)	AUSTRALIA-INDIA STRATEGIC RESEARCH FUND (AISRF)-Collaborative Workshops	Needs australian collab. Themes supported include- Agricultural Research, Astronomy and Astrophysics, Environment Sciences (including climate change research), Material science	Travel, accommodation, JRF/RA, consumables, minor equipment, work-shop specific funding for bilateral workshops	Independent position in research institute/Univ	To be Announced	3 years	http://www.dst.gov.in/whats_new/whats_new13/cop_indo-australia.pdf

Seminars/workshops	CEFIPRA	CEFIPRA Seminars/Workshops/ Training Schools	To fund seminars/workshops in topics of current relevance and interest to both India and France in the areas of Science & Technology.	Funds for domestic and international travel and logistics, arrangements relevant to the event. Upto ~Rs. 20 lakhs.	Seminar proposal must be jointly submitted by a French and an Indian coordinator, Should be held either in India or in France, Can have maximum 25-30 participants from	Rolling Scheme		http://www.cefipra.org/section.aspx?catid=881&langid=1
Meetings	CSIR	Financial Assistance for organising Conference/Seminar/Symposium/Workshops		For organising meetings at national level		3 months before the event		http://csirhrdg.res.in/sy.htm
Meetings	Company of Biologists	Scientific Meetings grants	Meetings need to be in areas covered by the 4 journals of the Company of Biologists	maximum upto £ 6000 for support of young scientists, funding for plenary or keynote speakers attending meetings	Organiser must have a PhD and must be in the organising group for the meeting. No nationality or geographic restrictions but preference given to events where	14 sep, 2016		http://www.biologists.com/grants/
Meetings	Company of Biologists	Small Meetings grants	For organising small local meetings in the areas covered by the 4 journals of the Company of Biologists	Max funding of upto £ 400	Organiser must have a PhD and must be in the organising group for the meeting.	To be Announced		http://www.biologists.com/grants/
Meetings/symposia/workshops	Indo-French Centre for the Promotion of Advance Research (CEFIPRA)	Grant for organizing Seminars and Workshops	seminars/workshops in topics of current relevance and interest to both India and France		Needs French collaborator	1-Apr and 1-Oct every year		http://www.cefipra.org/section.aspx?catid=831&langid=1
Multiple	DBT/ ISTPCanada	Canada - India S& T Cooperation, Proposal for Partnership Development activities (PDAs)	For organising bilateral meetings and other joint initiatives	CDN\$25000	Needs Canadian Collaborator	Rolling Programme. Results announced within 12-18 weeks		http://www.istpcanada.ca/ProductsServices/IndiaProgram/IndiaPDA/index.html
Meetings	DST/Royal Society, UK	India-UK Scientific Seminars	For organising small bilateral meetings in India or UK (3 days, for upto 20 participants)	£ 12000, sending side funds international travel and hosting side funds local travel, accomodation, and other direct cost	PhD with regular appointment at a research institute in India or UK	To be announced		http://www.dst.gov.in/whats_new/whats_new14/COP_Scientific-Seminar.pdf

Meetings/Workshops	EMBO	EMBO Courses and Workshops program	Funds conferences, workshops, practical courses and symposia that promote collaborations and exchange in the latest life science advances. Funding	€30,000 funding per event, access to website & poster design services and registration system provided by EMBO	Scientists in regular employment	1 March and 1 August		http://newsletters.emb.org/news/events_call_to_organizers/june2013/index.html?goback=.gde_4172799_member_251868238
Meetings/symposia/workshops	Indo-US Science and Technology Forum	Indo-US Bilateral Workshops/Symposia/Conferences		Travel, accommodation, events costs (typically not more than 50 participants), other associated costs	Qualified scientist from all science disciplines working at Indian and American institutions	31st august, 2016		http://www.iustf.org/story/53-17-Bilateral-Workshop--Symposium-Conference.html
Meetings/symposia/workshops	Lady Tata Memorial Trust	Meetings/Symposia/Workshops in the area of medical research				2 months prior to the event		http://www.ladytatatrust.org/StaticPageIndia/Awards/12
Meetings	TWAS	International Scientific meetings	To support the organizers of meetings in the following fields of natural sciences: agricultural, biological, chemical	up to USD 5,000	Organiser must be developing country	To be announced (July)		http://twas.org/opportunity/twas-grants-scientific-meetings-held-developing-countries
Seminar	DST/Royal Society, UK	India-UK Scientific Seminar Scheme	to fund the organisation of a small 3 day scientific meeting to bring together groups of early to mid-career scientists from India and the UK for the purpose of scientific discussion, to promote collaboration	International Airfare for upto 5 scientists, local travel and accommodation costs for all external attendees and organisational support	Organiser must have a PhD, and be in regular employment in India or UK	To be announced		http://www.dst.gov.in/whats_new/whats_new14/COP_Scientific-Seminar.pdf
